WEST HOLM,

RAYDON,

NE BEDS.

Jan. 28-99

My dear Sir

I was not able till yesterday to go to the Free library to look at your splendid new volume.

Thank you very much for sending it to Bradford. Thank you also for your letter about the pottery shards. I am

very glad you think they
are Norman.

I wish your health was
better, and am also very
sorry to hear that Mrs
Rivers suffers so much.

Yours most sincerely
Ella S. Armitage
