WHATCOMBE,
BLANDFORD.

May 1. 1899

My dear & kind General

I am anxious to
recd the approval of
you valuable views on the
to of the time & my
concerns. As a whole plan
let me if you have
any objection to my
doing so. It is my plan to
send a copy to the
President of the
Club. I am still trying
to trouble the Bishop about

The drawing I don't
intend allowing her
to settle the question
by the claim of Infalli-
bility - Apostolic
Succession & other
irreproachable checks
unhappily so many
grow not to.

I have got the memorial
largely signed by many
all the influential people
of the country & hope to
present it on the 5th
when the arch bishops
sit. I remain
Ever your aff^l
