Dear General Pitt Rivers

You were so kind as
to send me copies of your
most valuable and
interesting volumes of
Excavations - I. II. & III -

May I venture to hope
for a like favour in
respect of Vol IV which

can influence the new
Sir Edmund Antrobus
in the direction of enclosing
Stonehenge with a Sunk
fence at some considerable
distance. I am sure it would
go a long way towards pro-
tecting the Stones from mis-
chief if horses & carriages
were excluded - & fires strictly
prohibited - within reasonable
limits, say 300 yards.

Hoping Mr Pitt Rivers & family
are well I am yours very truly
Blundell Medlicott
