Dear Papa

A man called  
Mr. Ritchie wishes to  
buy the farm for his  
brother-in-law for  
 $6\frac{1}{2}$ ¢ per acre. I  
think it is advisable  
to sell at that price,  
as nearly all the  
wheat froze this year

Mr Pritchard lives in  
Dublin and has  
been told to correspond  
with Farrar, so  
you will hear all  
particulars from him.  
I hope to get back  
very soon now.
