Hinton St. Mary,  
Sturminster Newton.

My dear Father

Nutti & I are  
very glad to hear that you  
are coming to Hinton - I  
wrote to My Mother asking  
her when you were coming,  
but I suppose as she has  
gone to Alice you did not  
see the letter - Douglas & I  
went to see the doctor.

Yesterday I found that  
you had just left &  
had taken most of the  
finds away with you -  
we are going to the Mansel  
Pleydell on the 3<sup>rd</sup> for  
two days -

Yours affec<sup>ly</sup> Son
