Dear Mr Gray

Many thanks for
p. letter enclosing Cheque 15/7

I looked for you
Monday by train ^{not} _{not}
have seen you, as I wanted
to put the matter to you re
"Royal Magnets" - knowing
the House as I do, having
engaged them many times,
& how they are immense furniture
as well as at Salisbury

Weymouth &c, I thought
they would be a great im-
provement on the "Musicals"
you had from Boston &c.

I could not find
you, & Mr. Laws suggested
my writing, as I was
anxious to get back
early.

You will understand
I have no personal interest
beyond recommending an
entertainment that would
"take on" well & give satisfaction to all.
with kind regards

Yours faithfully
Tom H. Jones
