POST OFFICE
BLANDFORD

My dear Pitt Rivers,
As I fancy your
political leanings
& mine are very
much alike, viz.
opposed to Tories
on one hand, &
the Chamberlain
School on the
other, I think
it right to tell
you, in the uncer-
tainty how soon
a general Election

BLANDFORD
DORSETSHIRE

may come, that
it is not my
intention to seek
re-election after
the end of this
Parliament —

Believe me

Yours very truly
W. W. Portman
