DURWESTON,
BLANDFORD.

My dear Pitt Rivers,
We have heard
a report that you
are going to have
some fallow deer
in an enclosed
part of Cranborne
Chase - & if you
like, we shall be
happy to send you
a few does - whose
ancestors were
originally I believe
of the old Chase

WOTSEWRUC
DROCKALE

breed —

Yours very truly
W. H. B. Portman
