Dear Sir

I venture to trespass  
on your courtesy in asking you  
to let me know where I can  
obtain an unmounted photograph  
of Rushmore House, similar  
to that I saw in your  
house when I recently

visited it in company of the  
Royal Archaeological Institute.

With many apologies for  
troubling you, and with  
much respect,

I remain

your faithful servant
