Dear General Pitt Rivers

The Hebdomadal

Council are bringing
forward a very liberal
proposal, viz to grant
£400 per annum for three

years for completing the
arrangement & for the
Catalogue. It is to be
opposed on the ground
of economy but I hope
will go through

Yours much

Edward B Tylor

Mr Tylor has a letter
from Mr Mosley which
is the most encouraging
we have had, as he
seems to be getting right
both as to food and
sleep.
