Dear General Pitt Rivers,

I am much obliged  
to you for sending me  
back the 2 papers and  
your Reports. I suppose  
you had abstracts of these  
papers taken for your address  
and will not therefore  
wish to see them again.

I asked Mr. Bloxam  
yesterday to send you one

~~My~~ August & Nov:  
Journals, which contain  
many of the papers you  
require.

I enclose a proof of  
Mr. Keane's note on the  
American carvings, because  
I thought you might like  
to add a note if you had  
any doubt about the  
antiquity or genuineness  
of the carvings. It is  
the author alone, and not  
the Institute, that is responsible  
for any opinions in the  
papers which we publish.

I hope you are feeling  
better for the change of air.  
Very faithfully  
Yours  
J. W. Rudler
