OLD PARK,
DEVIZES.

May 24/88

Dear Sir

I am now preparing for
the Magazine of our County
Archaeological Society some
account of the meeting last
year at Salisbury, ~~at~~ which
I was, to my great loss, pre-
vented by ill health from attending.

The enclosed Proof of your
admirable Address I was sent

OLD PARK
DEVICES

you, as I think you may like
to glance your eye over it before
I pass it on for Press. It is
taken verbatim (as professed
to be, for I have not yet gone
through it with a view to correction)
from the pages of the Salisbury
Journal.

Believe me
my dear Sir
Yours very sincerely
A. C. Smith
