

if only this fine  
weather continues,

I can promise you a  
very interesting visit-

Ever yours most truly

Catherine Vaughan

Alice, I conclude is not  
with you?

Dear General Pitt Rivers

May I be allowed  
to introduce by your

notice our friend

Dr Vachell -

of Landiff - a very scientific

& interesting person -

He will tell you of

an extraordinary  
discovery that has  
been made just  
lately at Llantwit  
15 miles from  
Cardiff - & which  
we very much

want you to come over  
& see -

Is there any day that  
you could do us the  
honour of passing a  
right witness?

We will take you  
over to Llantwit, &
