British Museum,

W.C. Oct 20. 1888.

My dear Pitt Rivers

I have received the enclosed  
from my good friend Dr. Jaeger of  
Berlin & though it is "strictly confidential"  
He had intended it to go direct.

These foreign societies think  
immensely of any honors they  
confer, so you had better write  
a civil note. Vochow is to take  
charge of the book. That is a very good  
one.

Ever yours truly  
Augustus W. Franks.
