Gallery and West End Offices-The Marlborough Gallery, 39. Great Marlborough Street, Regent Street, W., LONDON.

THE OBJECT of this Society is to promote the advancement of Art, Literature, Science and Music, and the advantage of its Fellows and Members.

The means whereby this object is attainable are:-

- (a) The encouragement of Students and Professors of all ages and of both sexes in all branches of Art, Literature, Science, or Music (i) by purchasing from or publishing for Fellows and Members the best results of their genius or their labour (ii) by the distribution of Prizes; and (iii) by affording introductions for the purpose of making a market for the sale of Fellows' and Members' Pictures and other Art productions, and for the sale, printing, and publication of their Literary and Scientific Works and Musical Compositions.
- (b) The publication of a Magazine devoted to the interests of Art, Literature, Science and Music, to which Fellows and Members are invited to contribute. A copy of the Magazine will be forwarded regularly to each Fellow and Member, post free.
- (c) The enrolment, as Fellows or as Members of the Society, of ladies and gentlemen (in all parts of the world) who follow for pleasure or for profit the pursuits of Art, Literature, Science or Music as amateurs or professionals, and, as Honorary Fellows or as Honorary Members, all those who sympathise generally with the objects of the Society.

Arrangements have been made, upon advantageous terms, for :-

- I.—The Exhibition and Sale of Pictures and other Works of Art executed by Fellows and Members at the Marlborough Gallery, 39, Great Marlborough Street, Regent Street, W.
- II.—The Reading, Editing, Purchase, Sale, Printing and Publication of Fellows' and Members' manuscript contributions (prose or poetry) in Magazine and in Volume or Book form.
- III.—The Correction (where necessary), Purchase, Sale, Publication and Performance of Fellows' and Members' Musical Compositions.
- IV.—The bestowal of Prizes and other rewards for such Inventions, Productions and Improvements as tend to the employment of the masses, and the increase of trade; and for meritorious works in all the various departments of the Fine Arts, Literature and Science.

Fellows and Members of the Society are invited to make use of the Rooms of the Society for the purposes of receiving or writing letters, making appointments, &c. They are at liberty to use the offices as a London address, and if desired, letters received there for them will be forwarded on to them by post. It is designed, as soon as is practical, to largely extend the advantages in this direction so as to afford Fellows and Members all the privileges of a first rate London Club.

Each Fellow will be entitled to a Free Season Pass (transferable) for himself (or herself) and four friends, admitting to all the Exhibitions or Bazaars held at the Marlborough Gallery, and each Member will be entitled to a similar Pass admitting himself (or herself) and two friends.

A Register, open at all times to Art buyers, Publishers, and other employers of artistic, literary, scientific, musical or educational labour is kept, and Fellows or Members desiring remunerative home or other occupation may have their requirements entered therein free of charge.

Fellows and Members are invited to contribute to the Journal of the Society, to attend the London and Local Conversaziones and Soirées, to read papers and to join in the discussions. When mutually desired, introductions are given with the view that congenial acquaintanceships and friendships may be thus induced. Correspondents upon all subjects connected with Literature. the Arts, and the Sciences are also introduced to each other in all parts of the world, who thus by letter interchange information peculiar to their own spheres.

The Entrance Fee is Two Guineas. The Subscription dates from the time of payment.
