Dear Sir

I have been constantly hoping to see my way to accept your kind invitation to pay you a visit at Rushmore, but the weather has been so terribly wet & stormy & I have been so repeatedly unwell that it has been impossible for me to accomplish it.

I have even been obliged to give up staying a night at Shaftesbury in order to look at some sections there & it will now be all I can do to finish my work here before

the 15th inst, when I give up this
house & move to Sturminster
Newton.

I regret exceedingly that I shall
not be able to see you & your
treasures at Rushmore, but perhaps
we shall yet have a chance of
meeting. I have written to the Secty
of the Dorset Nat. H. Society asking
him if I may be elected a member.

Believe me

yours very truly
A Jukes Browne

General Pitt-Rivers

Rushmore

I enclose a copy of my paper on
