My dear Mr. Rivers

L78

no answer - got
about the dagger. These ^{Anglo} Egyptians
wrens are awful lazy. I fancy you
did not receive my note in time
I suggested to you a large and

artistic edition of your catalogue - in
fact an edition de luxe, for the
great collections and museums of the
world - copies illustrated. It would
be a "monumental work" and a
worthy crown to your long labours - of
course it will cost money, but
believe me - need not consider that.

You kindly offer to send
me what I want. I want an
etymological explanation of
Ducillon
Pas d'âne
Lettre would explain; computer not
there is no copy here. Please let me
insert the explanation of the words in your
