

Vote " 27 for & 7 against  
It is very annoying  
but I think especially  
close & warrant my  
having another try!

I therefore ask if  
you would kindly sign  
my nomination paper  
first. Feeling sure  
that your recommendation  
will be a great step  
towards success in the  
future.

With kind regards &  
best wishes for speedy recovery  
Yours faithfully  
Howard Cummins
