Dear General Pitt Rivers

You may like to have  
for your library the  
accompanying reprint  
of last year's operations  
at Silchester, if you  
have it not, I will send  
you the former year's  
as well.

Is there any likelihood  
of your coming down

this autumn?

We shall be very  
grateful for a donation  
to the Excavation Fund  
if you can spare one.

Yours sincerely  
W. H. John Hope
