My dear Pitt Rivers

I have not referred
to the Minute books
of the R.S. but the
date I have given
you is approximately
correct - Perhaps it
would be safest to
see the record of the
gift - If you send me
the proofs I shall
probably manage
to find time to look
them through, but
for the next two or

Three weeks I am
much down - I am
new on business
but hope to be
back by the end
of this week .

Yours truly
John Lewis
