Sturminster Newton,

Blandford 28th Janry 1884

Dear General Pitt Rivers,

The audits have so far
passed off fairly well except that
there has been a good deal
of gambling at the very low price
of four, I have this day
remitted to Messrs. Bouverie £2,500
& shall send you a similar
sum on the 4th of February

making together £5,000.

I am glad to say that
the excessive wind has not done
very much damage here except
blowing some of the Thatch about
& knocking down a few Trees.

I remain

Yr obedt. Servt

Alfred
