Sturminster Newton,

Blandford, 10th July - 1884

Dear General Pitt-Rivers,

In reply to my letter
to Johnson (Limited), as to the
Bm since I had a letter from
them asking me to meet one
of the firm which I have to-day
done and after a long discussion
I have got him to agree to the
supply the 2,000 qrs at 2/9
per yard with standards 3 ft. apart

I delivered at Fishery Station free,
500 yards to be sent on next week
& the rest at any time required
between this and September, the
catalogue is altered in price from
time to time as the price of iron
varies & when high some time ago
the price of this piece was 14/6
per yard.

I have also to-day met the
Road Surveyor & Mr. Greene to take
further steps as to the new road,

The Surveyor is going to give me
a rough estimate of what his
views as to cost and carrying
out the road, are -

I remain

Yours very obedt. Servant
Alfred
