Sturminster Newton

Blandford 11th August 1884

Dear General Pitt-Rivers,

I have heard from Mr. Green fixing on Thursday next for our going to Dorchester.

The road case as to the engine is set down for leaving at Andover on the 20th inst. but as this is so short notice we are asking for it come on at

the meeting after that, if possible,
Mr Fremme and myself will attend
whenever it may be but you
need not do so unless you
wish so to do -

Yours

Yours very obedt Servant
